

BIRD FEED BOXES AND FOOD

A pre-cut bird feeder can be ordered on line or available from local hardware stores. Allow the girls to assemble the boxes and decorate them as they wish.

(To secure the box for longevity, it may be hot glue gunned and sprayed with a craft glaze).

To make bird feed balls:

Ingredients

- Currants
- Sultanas
- Oats
- Breadcrumbs
- Grated cheese
- Lard

Mix all the dry ingredients together then add some melted lard to bind the balls together.
