

OLD FAVOURITES

Split into groups / patrols for these and rotate around each of the three activity stations for approximately 20 minutes.

- **ACTIVITY 1 - Yahtzee**

- **ACTIVITY 2 – Dominoes**

- **ACTIVITY 3 – Scrabble**

(All girls - allow 20 minutes for this one!)

- **ACTIVITY 4 – Bingo!**

A bingo kit with up to 20 game sheets is cheap and easy to obtain. It takes about 20 minutes for a game and the girls get really excited. You can play for a line, or a full house (all numbers on the sheet covered). The bingo kit comes with counters, but it could also be played with M&Ms as counters. The girls enjoy being the bingo caller, especially calling out the rhymes often associated with the game.
